The mission of the Selects Hockey Summer Program is to be a world-renowned development program, in a pursuit to develop excellence across all our players, and assist young players of today to become strong and confident leaders of tomorrow. Selects Hockey commits itself to attracting the best in class instructors, coaches and players in order to achieve our objectives. Additionally, we want to celebrate the life-long friendships that are established, and to recognize the unique diversity of parents, players and people. All of our hockey players will be supported by an unwavering commitment from the

Program, in the development of their skills, and to harness these skills in order to provide a unique experience, extraordinary competition, and an opportunity to maximize the skills that are being developed.
